- Custom Units Available

The Clear Jamb System Changes How You View Frameless Sliding Shower Door Kits Because the Vertical Metal is eliminated

SUPGM SHOWER DOOR SYSTEMS

Cottage CK Series Sliders are unique in that they utilize clear polycarbonate side jambs instead of traditional metal side jambs, thus providing more of the popular 'all-glass' look. Bolt-Through Top Hangers allow immediate fabrication and installation, with no waiting for messy adhesive to dry. Cottage Series Kits come in Brite Anodized, Brite Gold Anodized, Brushed Nickel, and Oil Rubbed Bronze finishes, with other finishes available on special order.

The top hung stock units include: Header, Top Hangers for 3/8" or 1/4" (10 or 6 mm) glass, Clear Polycarbonate Side Jambs, Bottom Sill, Back-to-Back Knob, 24" (610 mm) Towel Bar, Nylon Rollers, and Bottom Guide. Tempered glass and silicone sealant are supplied by the installer to complete the installation. Since all rollers are overhead, the Bottom Sill and Clear Side Jambs are uncluttered, making cleaning easy.

#### FINISHES:

Brite Anodized

Brushed Nickel

Brite Gold

Oil Rubbed Bronze
