

Deluxe Shower Door Headers

The Deluxe Shower Header Kit provides additional support and a level of safety while securing glass panels not reaching the ceiling. Deluxe Header Kits are designed to allow installers to do in-house fabrication using a selection of component parts. Sold in 66", 98" or 144" (1.67, 2.49 or 3.65 m) lengths, each header extrusion has a narrow 1-1/4" (32 mm) face to minimize the visible sight line. 90°, 135° or adjustable corners are sold separately for angled installations. BWB2 Brass Wall Brackets are included in each kit.
